Butternut Race Club Annual Silent Auction

January 2018

The purpose of Butternut Race Club is to foster young alpine ski racers, encouraging them to become the best skiers possible and to foster a lifelong love of the sport. We promote high quality coaching, a safe training environment and a clear path for skill development with three programs: Development, Interclub and Tri-State. All three programs develop skills using drills based on the age and developmental stage of the individual. We provide an opportunity for kids to excel and enjoy ski racing in a fun, safe and honest environment.

Please donate to our annual silent auction, held Saturday March 10, 2018. All the proceeds that are raised by this event go directly to enriching children's ski instruction and racing experiences. We hope that you will consider participating by donating an item or an experience for our auction.
